Map & Directions

The ultimate Thailand's hot spring experience.

Yunomori Onsen & Spa

After the success of its Bangkok branch, the number one Onsen & Spa in South East Asia brings its unique concept to Pattaya.

Yunomori Onsen & Spa offers an experience of holistic relaxation unlike any other. It combines Thailand's natural hot spring waters with traditional Thai massage techniques to offer holistic healing and relaxation.

A place to retreat, relax and reinvigorate, Yunomori melds the tranquility of traditional and contemporary Thailand to give visitors everything they need to restore the mind, body and spirit back to full health.

Pattaya

Massage & Spa

Our spa therapies are designed to offer the perfect balance of relaxation and invigoration, allowing you to retain the calm of the Onsen whilst also giving you the energy you need to return back to daily life.

Aroma Massage

Fragrant essential oils boost the effects of the expert massage with their natural healing properties and relieve any traces of stress and tension.

Herbal Compress

Thai herbalism is an ancient tradition that has been preserved for thousands of years. This treatment combines the benefits of Thai massage and Thai herbal remedy to create a stimulating yet soothing therapy.

Facial Treatment

Yunomori Facial & Beauty customizes and personalizes treatments to achieve beauty from within. With our extensive range of skincare treatments, we aspire to give you firm, radiant, re-energized skin.

Thai Massage

Consisting of techniques developed over thousands of years, Traditional Thai massage is a holistic therapy grounded in physiology and traditional oriental medicine.
